The Chief Secretary to Government,
Government of Mysore,
Bangalore

Sir,

We have the honour to advise that we recently represented to the Municipality that we are required to pay a water rate representing 4½% of the letting value of our Mill Buildings although we are charged for our supply of water according to the quantity used, and requested them to be good enough to exempt us from the tax, We now learn that the representation should be addressed to you, as the tax is at the instance of the Water-Works Department

We submit that since we pay according to the rate in force for every gallon we use on the mill premises, it appears wrong in principle to hold us to an additional tax We have the honour to request that you will be so good as to look into this aspect of the matter, and charge the Municipality to exempt us or otherwise give us such redress as you deem fit in the case

We have the honour to be

Sir,
your most obedient servants
M Sirur
General Manager.
